End of Term 3

Footy Pie Day

Assembly 2.10pm

Early Dismissal 2.30

OOSH Available

OCTOBER

**Monday 5th**
Term 4 Begins

---

**From The Principal’s Desk**

As part of our commitment to the safety of our students, almost all staff (twenty altogether) yesterday completed the full Level 2 First Aid Training, as required by law (four hours pre-workshop tasks plus eight hours workshop). This course (which looks likely every three years) and annual updates ensure that staff are aware of emergency procedures for as range of scenarios as well as the more prevalent school yard grazes and bruises.

Whilst on Health matters, please continue to be vigilant in checking for, and treating Head Lice. They remain a problem in every school, and in recent times have made a comeback here.

During our visit from Tony Smith recently he took a number of calls. It is now clear that they were calls from colleagues sounding him out for the Speaker’s position in the Federal Parliament. In some ways it is a feather in the cap of local people, that their federal member has been elevated to such a position, so we join with others in congratulating Tony on his elevation.

Commencing on 24 August, Mrs Monks will be taking four weeks Long Service Leave to travel overseas. Mrs Scattergood will take F/1 for the duration of Mrs Monks’ leave, whilst Mrs Butler will take 4/5SB full time for the bulk of that period. The lucky Miss Carter recently won a trip to Peru, but as is often the case with these things must take it a time dictated by the prize provider. Co-incidentally this will also be from 24 August, and so she will utilise three weeks of her Long Service Leave to take the trip. At this stage she will not be replaced. Any Welfare enquiries should be directed to me over that period.

Towards the end of this month we are hoping to begin work on establishing a Community Garden (initially herbs only) and a sensory garden with native plants, around the buddy seat. With that in mind we will be having some external volunteers coming to assist, but would love the help of anyone else interested in gardening.

Just a reminder that students should not be in the school grounds before 8.45 unless supervised by parents. With that in mind we will be having some external volunteers coming to assist, but would love the help of anyone else interested in gardening.

A reminder too, that the drop off zone is only to be used in the morning, and only to quickly drop off students. If the driver needs to get out of the car they should park in the car park, to minimise any hold up to traffic.

Have a gorgeous week

Back to Kinder We Go
Last week our Foundation class went to visit the children at Coldstream Pre School, there were some happy memories shared.
