**From The Principal's Desk**

Ahoy Mateys! Greetings from *Pirate Day*! Thanks to all parents for their efforts in getting the students dressed for the Pirate day. More than $190 was collected and will be forwarded to Crusade For Cancer, for research into the prevention and cure of childhood brain cancer. Well done too, to our Junior School Council for organising the day.

A big thanks again to the Parent Club for assisting with the catering for Last Friday’s *Flag Launch and Movie Night*. Another great job again. The Flags themselves looked terrifically colourful and certainly brightened up the Community Centre.

As noted in recent newsletters, staff have been grappling with the introduction of Gradexpert as a student tracking and reporting package, following the previous government’s decision to no longer provide the previous reporting package free of charge to schools. To ensure reports are distributed at the end of this term as per normal, and taking into account previous feedback from parents, the one-off June report will be much simpler and more brief than in the past but still include essential elements of indication of, and comments on, progress. Parents can seek further information on achievement, areas for improvement and what else can be done at home at Parent-Teacher Interviews during the second week of Term 3. In the meantime, we will seek further input before finalising a new reporting format complying with new guidelines, which we expect to adopt for December.

We had some excellent performances at the *Division Cross Country finals* last week at Yarra Glen Racecourse. The stand out was Cooper Rouget who came third in his age group meaning he advances to Regional Finals today. We all look forward to hearing how he went.

I was recently doing some research as the result of a resident concern and found that there are some quite interesting and relatively little known road rules in place across Australia, some of which I admit to knowing, some of which I must admit I did not. Specifically in Victoria, the following all attract (some quite significant) fines:

- Children or animals on your lap whilst driving
- Parking too close to post boxes and fire hydrants
- Using an unmounted GPS whilst in charge of a vehicle
- Overloading your boot (obscuring the rear view)
- Using high beam headlights or horns inappropriately
- Leaving windows more than 2 cm open in a parked car
- Using a mobile phone in a car with its engine running (even if parked).

For more information see the following links:

Just a reminder that, as next week is the last week of Term 2, there will be no assembly on Monday and dismissal time will be 2.30 on Friday 26th June.

Have a gorgeous week.

Peter Donaldson
