From The Principal’s Desk
The end of the term seems to have snuck up on us, but regardless here we are, and with much still to do before we finish at 2.30 pm on Friday including:

- Student Star Lunch – n.b. now on this Friday (due to 5/6’s at Archery) for our lucky Student Stars Of The Week and their guests
- Sausage Sizzle – this Thursday with Mrs Monks’ Grade to provide snacks for the stalls
- Reports – The shortened format will come out this Friday
- Term 3 parent /teacher Interviews – will be available to book on line (schoolinterviews.com.au) from this Friday afternoon using the code EYNKB.

It seems to have been a year where many of our students have spent time injured, incapacitated and/or in hospital, with Tyler E, Katie H, Brody K and Tyler B being the latest to join that group. Whilst we wish them all a speedy recovery, the message for everyone then is be careful out there over the holidays.

Have a gorgeous (and safe) holiday break. See you on Monday July 13 when school resumes.

The Victorian Government has launched the Education State consultation – a state-wide conversation on what we need to do to make Victoria the Education State.

As part of the consultation, we want to hear your ideas, experiences and aspirations for Victoria as the Education State.

The vision for the Education State is about more than the education system – it’s about putting education at the forefront of everything we do. Education influences every part of our society and improving education has benefits for all of us at every stage of life.

We want to hear from students, parents and carers, teachers, trainers, businesses, local government, education providers, communities and anyone with a passion for education.

This is an opportunity to have your say and play a role in shaping what our education system will look like in the years to come.

To have your say, head to educationstate.education.vic.gov.au and join in the online conversations or register to attend one of the roundtables running across the state throughout June and July.
School Captain’s Report

Hello this is your School & vice Captains, we have had such a great term. We had table tennis for some of the grade 5-6s which went for the first 4 weeks of term and now we are doing archery that finishes this week. Our favourite thing was The Shrine excursion it was such an awesome experience. Some of the things we did in Term 2 were District Athletics, World of Maths, ANZAC multi-age day, Cross Country, and the F-2 students went to the Melbourne Aquarium. Nona had her last day before going on leave to have her baby. We hope next term is going to be great fun just like this term was.

OOSH Happenings

As I was reflecting on our term I began asking some of our beautiful children what they loved the best about term 2. Here is what they said
Darcy liked Scrapbooking and helped create the AFL display
Jace and Riley both loved the AFL display and contributed to lots of the work
Bailey was quick to say his favourite was Mandala Drawings
Taleah loves our super stars and strives to always do her best
Chase spent much of his time playing with construction, he amazed us with his creations
Skyla loved investigating dismantling an old radio and cd player
And Kayla just loves doing craft.........
We wish you all a safe break and we look forward to seeing you all refreshed ready for another exciting term in OOSH.
A quick reminder all accounts are to be cleared before the end of term
See you soon at OOSH, Denise, Leanne, Barb, Emilie and Scott 😊
