From The Principal’s Desk

I hope everyone enjoyed the elongated weekend, whether at home or away! I am sure your weekend was more productive than mine, having spent far too much time “couch surfing” this weekend!

It was a busy night here last Thursday with around 55 people attending the Council’s Public Meeting in the Junior School building and a similar number of students at the movie night in the library. Both seemed to go well, thanks to the staff who gave up their night including Mrs Morrow, Mrs Bailey, Mrs Monks and Ms McLaren who came in of her sick bed, to assist with the movie night. A big thanks, too, to the Grade 6 students who organised the movie night and to those who stayed back and assisted including Tyson and Cindy, who cleaned up much of the popcorn.

We had quite a few people who requested tickets after the due date for the Movie night, however given the catering and organisation required beforehand we had to decline any late requests, which in the end was just as well as space was reasonably limited. Whilst we try to ensure that we give people every opportunity to take part in our events, it is not always possible to receive late replies, particularly where catering is involved.

Our child-free day on Friday cleared up a number of issues staff were having with Gradexpert. We now have an agreed simple format for the June reports which we hope will, as long as there are no further technical issues, allow us to report by the end of the Term. Changes to Department Guidelines introduced last year, allow schools to move away from the standard reports produced in the past but still expects certain aspects to be included. It is our intention over Term 3 to seek further parent feedback on reports and redesign the report on the basis of that feedback.

As most of you know, last Thursday was Miss (Nona) Johnston’s last day before taking family leave. I know that all of you would join us in wishing her the very best on the impending arrival (a sibling for three year old Harvey). It is unlikely that we will see her back at Coldstream, other than for a visit, until at least mid-2016.

Have a gorgeous week.

School Captain’s Report
Hi everyone, the last week has been a great one. We have had a super busy time doing our first archery tournament, we celebrated Nona’s last day and cross country was for some students - we’d like to congratulate Cooper for coming third and going to the regional finals next week! We had a very successful movie night fundraiser for our Grade 6 graduation, we would like to thank everyone that came to movie night and let you know that we will be hosting another movie night later in the year. We hope the whole school can come.
Have a fantastic week everyone!
