PURPOSE

The *Education and Care Services National Regulations* requires approved providers to ensure their services have policies and procedures in place for dealing with complaints (regulation 168) and take reasonable steps to ensure those policies and procedures are followed (regulation 170).

We aim to investigate all complaints and grievances with a high standard of equity and fairness. We will ensure that all persons making a complaint are guided by the following policy values:

- procedural fairness and natural justice

This policy applies to children, families, staff, management, and visitors of the Service.
